JOB SUMMARY: The Rehabilitation Coordinator acts in a supervisory capacity overseeing rehabilitation services provided at multiple Goodwill Career Development Centers located at satellite offices within Goodwill's territory. The Rehabilitation Specialist coordinates all program functions, including staff management, client/case load assignments, conducting chart and documentation reviews, and provides training for rehabilitation counselors. The Rehabilitation Specialist also is responsible for clients within an assigned case load.

EDUCATION AND/OR EXPERIENCE:

- Bachelor's degree in social work, psychology, human services or directly related discipline required; Master's degree in social work, psychology, human services or related field preferred
- Certified Psychiatric Rehabilitation Practitioner (CPRP) preferred
- Three years' experience in rehabilitation services, social services or mental health counseling required
- One year experience serving in a supervisory role required
- Prior experience working with a population with various barriers to employment such as mental illness, substance abuse, limited work history, criminal backgrounds, etc. preferred

CERTIFICATES, LICENSES, REGISTRATIONS:

- Must have at least one (1) of the following:
 - Certified Rehabilitation Counselor (CRC)
 - Certified Psychiatric Rehabilitation Practitioner (CPRP)
 - Licensed Graduate Professional Counselor (LGPC)
 - Licensed Clinical Professional Counselor (LCPC)
 - Licensed Graduate Social Worker (LGSW)
 - Licensed Clinical Social Worker (LCSW)
- Must possess a current valid driver's license and be fully insured according to Maryland law.
